

From My Heart to Yours

Dear Church Family,

It is always a joyous occasion when we start the service with the Ordinance of Baptism and end our service with a profession of faith. The Lord added to our church membership as we welcomed back Tucker and Leah Ann Peavey as they return to live in Brookhaven. We also witnessed Bradyn Linton's profession of faith and we look forward to his baptism. Invite your friends and neighbors who do not have a church home to join you this month in worship or small group Bible studies. Someone is waiting for you to ask.

Our *Great Day of Praise and Giving* service is only three weeks away – Sunday, May 6th, 10:45 a.m. This service will feature some of the most anointed songs of praise God has used in our congregation recently as well as a time of thanksgiving through sacrificial offerings to the church and Building Fund. Next Sunday we will hear our quarterly Clear Vision 2020 update. I am so looking forward to that day!

I want to thank each of you who gave to our North American Annie Armstrong Easter Offering. Your gifts will go to help Immanuel Church in New Orleans, whose pastor is Matt Delaughter, as well as 5,200 NAMB missionaries. We have a mission trip to help Pastor Matt and his church plant Saturday, May 5th. Call the church office (601-833-5118) for more info or visit our website – www.fcbrookhaven.org

People of the Word...People of Prayer

I love you in the Lord,
Bro. Greg

Good morning brothers and sisters,

Thank you for your patience and understanding for the next few weeks as we make repairs to our sound system. God has blessed us so much at First Baptist Church with state-of-the-art equipment. Week in and week out we enjoy the best of the best in audio and visual technologies. Sometimes, though, electrical equipment fails and usually it fails at the most inopportune time. Rest assured that we are doing our very best to get everything back to normal.

For thousands of years the church has worshiped in various ways. There was a time in church history when sound systems did not exist. There was a time when air conditioning and padded pews did not exist. There was a time when drum sets, keyboards, and guitars did not exist. There was a time when organs, pianos, and hymn books did not exist. There was a time in church history when the English Bible as we know it did not exist.

How did the people of God worship without all of these things?

It's simple. They worshiped God with their hearts.

I love you all more than you know.
Pastor Nick
