

## From My Heart to Yours

Dear Church Family,

I was a joy to receive Daniel and Kayla Calcote back into our church membership. They have moved back to Brookhaven and it's great having them back in our church family. We also witnessed Madi Miller make her public profession of faith. I am so proud of her and look forward to her baptism. Let us be aware of those around us that do not have a church home. Invite them to come with you to a service or a small group Bible Study.

Also I want to thank our Casa de Fe mission team who worked so well together in the fundraiser for this haven for special needs children in the jungles of Ecuador. The pulled pork meal was delicious and with your donations over \$9,200.00 will be given to offset the extra paycheck the Ecuadorian workers receive in August, which is a government mandate. Thank you for being generous with your time, talent and resources. To God be the Glory!

Sundays@5 have begun and I want to encourage you to find a class for you and your children or youth. There is a place for everyone in the family and you will grow spiritually and in fellowship with other church members that you do not spend time with in your church routine. You will be blessed!

Today, we will study the two schools God puts us in to teach a lesson about the Christian life. Two Schools – One Lesson. Is it time for you to go *Back To School?*

Come, now is the time to worship!

I love you in the Lord,  
Bro. Greg

My brothers and sisters,

This morning we will open our worship service with a new song presented by the worship choir called, "Lift High the Name of Jesus." It is a bright and vibrant offering that reminds us of our purpose in gathering this morning. Listen closely as you are called to worship by the choir. I want you to prepare for your turn to sing. Anthems, ensembles, and solos can bring tremendous encouragement to our spirits and they can lift the head of the weary, but there is nothing like the people of God joined together in songs of praise. Corporate worship is the sound of heaven.

My highest priority in our weekly worship gatherings is to lead us to sing together in spirit and in truth to Almighty God. The Bible commands us to sing and to sing together. Psalm 149:1, "Hallelujah! Sing to the Lord a new song, his praise in the assembly of the faithful." There is something quite special when the people of God raise their voices together. I appreciate your patience with me as I learn the songs of this church and work through what we have sung and what we need to be singing (I love song suggestions!!!!). It takes time for all of us to dial in, but please know the ultimate goal in our music is: this church; united; singing and worshipping our Lord and Savior Jesus Christ; with one voice.

I love you all more than you know,  
Pastor Nick
